

## Stella's Safety Procedures

We value the trust you place in our restaurant every day and we are committed to protecting our guests & team members.

As we welcome you back into our dining room, we remain committed to this promise... but we need *your* help.

### What you can expect from us, the staff:

- **Pre-Screening/Wellness Check**- wellness checks for every person, every shift, to ensure everyone on our team is healthy & ready to safely serve you & your family.
- **Menus**- We are disinfecting our menus after every use. You can also visit our website at [stellasbistro.com](http://stellasbistro.com) for contactless menu viewing.
- **Cleaning & Disinfection**- we are diligently sanitizing high contact areas- restroom surfaces, doors & door handles, tables, chairs, our host area, computer terminals, check presenters, pens, etc.
- **Staggering of Reservations**- We are accepting reservation in order to stagger & limit the number of diners in the restaurant. If you are able to please plan ahead
- **Hand Sanitizer**- It is available at the host stand
- **Handwashing & Personal Hygiene**- We're all washing our hands, as always... thoroughly & often. We're also ensuring the whole team is practicing other proper personal hygiene behaviors.
- **Protective Equipment**- We've made personal equipment available for all staff members, including face masks and gloves. Masks are a required part of our staff members daily uniform

### What we expect from you, our guests:

- **Social Distancing**- for everyone's safety, we are making a conscious effort to minimize close contact. If our bar & cocktail area are full, please do not congregate at the bar or in the cocktail area. If you would prefer to wait in your vehicle until your table is ready, please be sure to leave the hostess/manager your cell phone number to call when we are ready to seat you.
- **Modified Layouts & Procedures**- For the safety of our other guests & team members please do not reconfigure our bar, cocktail tables & dining room layouts.
- **Contactless Menu Viewing**- our menus are available online at [www.stellasbistro.com](http://www.stellasbistro.com) for those who wish for contactless menus viewing
- **Curbside Pick Up**- we are still offering our curbside pick-up for those who wish for limited contact, please call upon arrival & we will come to your car
- **Delivery**- we are still offering delivery for those who wish to have their favorite Stella's meals delivered to their door... be sure to let us know if you'd like contactless delivery
- **If you can, please do not pay in cash**- it is safer for our team, offers a smoother service & there are less sanitation precautions required when you pay with a credit or debit card. Visa, Mastercard, Discover & America Express are all accepted.
